## Pueblo West Wirtual Marketing

## Branding Logo Company Message

How are you displaying, promoting, or advertising, your business, products and services to targeted markets, the local community and the rest of world?

Websites, Print, Television, Radio, Mobile/Multimedia Avertising...

What other avenues could you be missing? Or are there areas where you may be able or need to cut back on?

When was last time websites and other marketing tools/materials been refreshed updated?

Are you currently hitting targeted audiences? Or wasting time and money...

These are all great questions every professional should ask themselfs when reviewing marketing efforts. Are you ready to make a change?
